

ABOUT THE ALS ASSOCIATION

The ALS Association is a nonprofit organization that funds global ALS research, provides care services through a nationwide network of clinical centers, and advocates for policies that serve people living with ALS (Lou Gehrig's disease).

HONORING A LEGACY, FIGHTING FOR A CURE

In 2002, Amelia Island resident Mark O'Day lost his father, John Louis O'Day, to ALS after a four-year battle. In his memory, Mark started an annual golf tournament to raise money for the ALS Association NE Florida benefiting Mayo Clinic & UF Health through the Walk to Defeat ALS Jacksonville. What began as a tribute has grown into a powerful community event in the fight against ALS.
